School Intramural Equipment Grant Application Form

MPETA is pleased to continue this grant program to be used for the purchasing of non-traditional Intramural Equipment. Please note that equipment used for inter-scholastic activities (basketball, volleyball, hockey…) will not qualify for the grant. There will be 20 grants of up to $300 available for the school year.

CRITERIA

Applicants must:

- Be a **full** MPETA member.
- Complete the Intramural Equipment Grant Application Form (below).
    - *One grant application per school will be accepted.*

Once approved, the applicant will:

- Complete the intramural equipment grant acceptance form.
- Submit the invoice, receipt, or purchase order for the equipment.
- Submit an article for the MPETA Journal (details below).
    - *Funding will be released upon receipt of these items.*

This journal article must include the following:

- Equipment description (include a picture if desired).
- Amount of equipment purchased.
- Total cost of equipment (if the cost exceeded the $300 grant, indicate where additional funds came from).
- Where the equipment was purchased from.
- Description of an activity/game that will use the equipment.
